Data Management Statement

The Tasmanian Bridge Association Inc gathers the information on this form for the purposes of managing the membership and operation of the Association. This information will be stored in various IT systems used by the club, including CompScore, Pianola and the MyABF app. This data can be accessed by the Committee, Directors, Administration Officer and the State Masterpoint Secretary.

All members of the Association are registered with the Australian Bridge Federation (ABF). Items marked * overleaf are provided to the ABF as part of player registration. You will also receive a 'New Member's Information Kit' from the ABF by email or as a hard copy if you do not provide an email address.

Detailed results from all bridge sessions conducted by the Association are publicly available on the Association's website (www.tasbridge.com.au). This includes name, session details and results. This information is also available to Association members on the Pianola system.

Entries to some future events are managed through the MyABF app booking system. Entry information in the MyABF app booking system is available to all Association members.
